FETTUCCINE WITH SPRING VEGETABLES & RICOTTA

PREP TIME: 25 MINS | COOK TIME: 10 MINS | SERVES 4

Bring a large pot of salted water to a boil. Fill a large bowl with ice and water. Trim 8 oz. asparagus and cut the stalks into thirds. Add the asparagus to the boiling water and cook for 3 minutes. Transfer the asparagus to the ice water.

Add 4 oz. snap peas to the boiling water and cook for 2 minutes, then transfer to the ice water. Add 1 cup shelled English peas to the boiling water and cook for 30 seconds, then transfer to the ice water. Drain the vegetables in a colander. Cut the asparagus in half lengthwise and thinly slice the snap peas on the diagonal. Set aside.

Return the water to a boil. Add 12 oz. fresh fettuccine and cook until al dente, about 4 minutes. Drain, reserving ½ cup of the pasta water. Return the fettuccine to the pot and add the grated zest and juice of 1 lemon, 1 cup grated Parmesan, 12 oz. ricotta cheese and 2 Tbs. extra-virgin olive oil. Set the pot over medium heat and toss the fettuccine to coat with the cheese mixture. If the pasta seems dry, add some of the reserved pasta water. Add the vegetables and a splash of heavy cream and toss to combine. Season to taste with salt and pepper. Sprinkle with more Parmesan and flaky sea salt, garnish with pea shoots and serve.

VERMICELLI NOODLE SALAD

PREP TIME: 30 MINS
COOK TIME: 15 MINS
SERVES 6

1. Place a double-stacked steamer basket over a pot of simmering water. Place 1 lb. head-on, unpeeled shrimp in the basket in a single layer and steam until opaque throughout, 4 to 6 minutes. Transfer the shrimp to a bowl and let cool slightly, then refrigerate.

2. In a sauté pan over medium heat, warm 1 cup canola oil. Add 1 thinly sliced shallot and cook, tossing occasionally, until golden, about 3 minutes. Add 6 cloves thinly sliced garlic and cook until deeply golden, about 1 minute. Strain the shallots and garlic through a fine-mesh sieve set over a bowl and season with salt.

3. Cook 12 oz. vermicelli rice noodles according to the package instructions. Drain, drizzle with a little oil and let cool.

4. In a small bowl, whisk together ¼ cup water, 2 Tbs. fish sauce, 2 Tbs. rice wine vinegar, the juice of ½ lime, 2 Tbs. chile-garlic sauce and 1 Tbs. sugar.

5. Thinly slice 1 small napa cabbage, 1 small red cabbage, 1 cucumber, 3 peeled carrots, 1 Thai red chile and 6 scallions.

6. In a large bowl, massage the cabbage with half of the dressing to wilt it slightly. Top the cabbage with the noodles, cucumber, carrots and shrimp, then drizzle with the remaining dressing. Garnish with the crispy shallots and garlic, red chile, scallions, ¼ cup mint leaves and ¼ cup cilantro leaves. Serve immediately.

BUCKWHEAT CRÊPES WITH SMOKED SALMON

PREP TIME: 25 MINS
COOK TIME: 25 MINS
SERVES 4

1. Combine ½ cup all-purpose flour, ½ cup buckwheat flour and ½ tsp. salt in a food processor and pulse 2 or 3 times. Add 2 eggs, ¾ cup milk and ¾ cup water and process until well blended. Pour into a bowl, cover and refrigerate for 20 minutes.

2. Heat a 10" fry pan over medium heat. Brush lightly with canola oil. Add ⅓ cup batter, tilting the pan to form a thin layer. Cook until the top of the crêpe is set, about 2 minutes. Using a wide spatula, carefully turn the crêpe over and cook for about 1 minute more. Turn the crêpe out onto a plate. Repeat with the remaining batter, stacking the crêpes on the plate with a piece of wax paper between each one. You will have 8 crêpes.

3. Divide ½ lb. thinly sliced smoked salmon evenly among the crêpes, fold into quarters and arrange on a platter. Spoon a dollop of crème fraîche on each crêpe. Serve topped as desired with fried eggs, sliced avocados, crumbled goat cheese, sliced cucumbers, pickled red onions, fresh chives, radish sprouts or dill sprigs.
